TRAVEL
PRIVACY KIT
WEBCAM COVER, MIC BLOCK, USB DATA BLOCKER COMBO

Webcam Cover
1. Remove adhesive strip.
2. Position base over the camera lens, then press firmly.
3. Once installed, simply slide to open and close.
If the base and rails become detached, it simply snaps back into place.

Mic Block
Insert the Mic Block into your device's audio jack.
Remove the Mic Block when you would like to use your devices internal microphone.

USB Data Blocker
1. Insert Data Blocker into any USB port
2. Insert USB cable into Data Blocker
3. Plug device into USB cable
SAFE

Privacy Protection and Data Security

SLIDE

WARNING: units placed directly on the screen could provide a pressure point if the device is dropped or slammed closed that could damage the screen

Rear
127mm x 177.8 mm (w x h)
4CP Print

——— Trim Line
(red line non-printing)

Please Note:
This artwork shown is optimised for connecting on the left side as per pre-printed backing card.

Clients are free to choose their preferred orientation within the branding area.

Please follow these artwork guidelines • Use and supply vector-based artwork • Illustrator compatible EPS or PDF with all fonts outlined • Indicate any necessary colour details with the correct PMS colour • All Pantone colours need to be supplied as Pantone Coated (PMS C) colours • All specifics need to be "embedded" in the file, i.e. no linked artwork should be provided • Bleed is crucial when printing edge to edge. Artwork must extend beyond the finished and trim size dimensions.
