Please follow these artwork guidelines • Use and supply vector-based artwork • Illustrator compatible EPS or PDF with all fonts outlined • Indicate any necessary colour details with the correct PMS colour • All Pantone colours need to be supplied as Pantone Coated (PMS C) colours • All specifics need to be "embedded" in the file, i.e. no linked artwork should be provided • Bleed is crucial when printing edge to edge. Artwork must extend beyond the finished and trim size dimensions.

## WebCam Cover Channel Phone

**Branding Options:** 4CP Digital Print

**Product Size:** 17 x 8.5 x 1.5 mm

**Colour:** Product Colour: Black, White

The advertisement features a gold Samsung smartphone with a white web camera cover. The cover is shown in two states: one where it is on the phone, and a callout showing the cover itself. The phone's screen displays a red eye graphic and various app icons. The background is blue with a pattern of white icons and binary code. The text 'WEBCAM COVER' is at the top, 'Channel Phone' is on the right, and the slogan 'Now they SEE you... after they won't!' is at the bottom. The 'SLIDE' logo is at the bottom, and 'FITS: Phones and Tablets' is at the very bottom.
